TaskMaster Hi-Lift

Features:

- *Compatible with standard domestic style 2-bar roll-out carts*
- *Extra high 60" dump over allows more carts to be dumped per packing cycle*
- *Sweeping action provides a greater "pick-up" envelope for lifting carts on uneven terrain*
- *Solid hook drive mechanism automatically secures the cart to the lift plate during the dump cycle*
- *Welded cylinder with replaceable seals*
- *Self-lubricating composite bearings at all pivot points eliminate the need for greasing*
- *Powder-coated finish for durability*

Specifications:
