The performance you demand requires a serious machine with all the refinements that you've come to expect from the leader in the waste handling industry.

- ◆ Available in two lengths to best suit your application
D6780 - Short Perfect for rearloader applications
D6785 - Long Excellent choice for rearloader or sideloader units.
- ◆ Same sweeping pick-up action that made the TuckAway® famous, with the advantage of mounting to flat surfaces
- ◆ Powerful 26k actuator lifts the heaviest loads
- ◆ Large pick-up window allows for wide range of mounting heights
- ◆ Removable stop allows fully stored position, if desired.
- ◆ No greasing for less maintenance
