

THE **OX**

Automatic rolloff tarp system

Solid construction.
Tough as tarpers get.
Reliable.
Operator friendly.
No upper arm cylinders.
Great introductory price!

Other brands claim to have “**strong arms**”
BUT, they aren’t...

OX STRONG!

THE OX

Automatic rolloff tarp system

Safely add or remove roller spring tension with Donovan **Safe-Tension** device.

Get in the groove!
Change a tarp in 5 minutes thanks to the **Ox** roller's **quick change spline groove!**

2" x 4" x 3/16" upper arms!
STRONGER than STRONG!

Only the BEST will do!
Every **Ox** system comes with a **Mighty Mesh® tarp**.
The world's strongest tarp!

Valves, fittings & hoses included

Pre-fabricated front and rear brackets
minimize install time!
(See website for more details)

Double tube weldment means
3" x 3" x 3/16" gusseted lower arms!
STRONGER than STRONG!

The **EZ SLIDER** design gives the operator "total pivot point control" to precisely cover any size roll-off container.

Why is **MIGHTY MESH**[®] the best rolloff tarp material?

- Outlasts standard PVC mesh **3 to 1!**
- So strong that vinyl reinforcements are not necessary, making Mighty Mesh very affordable.
- Holds up to heavy usage and the most abrasive loads.
 - Available with or without expandable side flaps.
 - Cuts your tarp purchases in half or better!
 - **The strongest mesh in the industry!**

Your COMPLETE line of waste tarping systems!
