

# Sure-Loc™

## Automatic Cart Lock

Patent Pending

Another  
INNOVATIVE SOLUTION  
From *SERIO-US LOCK*

**Part No: SL-803SL01.BTN**  
**Lock Auto Button Style (No Lock)**

**Part No: SL-803SL01.K21**  
**Lock Auto (Keyed Lock)**

# The Smart Cart Lock

**Easy One Hand Operation**  
Push Button  
And Turn Knob

**Keyed Option Available**

For Added Security

### Lid Mounted

Lock Mechanism is out of the waste stream. Fits most carts without adjustment to cart or lid.

### Pest and Wind Resistant

*Stays locked when tipped over by wind or animals.*

*2 step, knob and button operation, keeps animals out.*

### Exclusive Omni-Direct™ Technology

Unlocks automatically when dumped by an ASL, **no matter which direction the cart is facing** when picked up. Will not open when knocked over **in any direction**.

Eliminate Unauthorized Access

## Reduce Contamination Of Recyclables

Prevent Illegal Dumping

Protect Organics From Animals

Prevent Wind Blown Debris

Prevent ID Theft
